A. SIGNIFICANT ITEMS

None to report.

B. OTHER ACTIVITIES

(B) 1. Final arrangements are complete to begin testing on 2 August in Spanish at Headquarters for DDP personnel who have claimed a proficiency, but who have not yet been tested. In the first report from the units in DDP we found only 61 individuals claiming Intermediate or higher levels of proficiency. We then checked the possibility of testing all claimed levels and came up with a total of 180 individuals claiming all levels. Testing can be complete by COB 9 August. After examining our experiences in this exercise we will make arrangements for tests in the other major languages, French and German.

2. Other than testing our work has been routine, i.e., writing reports.
